

Programmes Outcomes and Course Outcomes for All Programmes

The college has prepared Programme outcomes for M.Phil, M.A, B.A, B.Sc, B.com, B.Ed programmes, Programme Specific Outcomes under these programmes and also Course Outcomes. These are finalized by various Head of departments and uploaded in the college website. Programme Outcomes incorporate many areas of skills that are to be acquired by students during the programme. Course Outcomes are discussed in the department's Board of Studies meeting which describes the disciplinary knowledge, depth of learning that is expected upon completion of a course. Each department has organised department meetings to draw up teaching plans to achieve Programme Outcomes, Programme Specific Outcomes, Course Outcomes with changes or revisions in the syllabus (if required). They chalk out the teaching methods and evaluation methods along with these outcomes.

Teachers describe the learning outcomes in the classroom at the beginning of each semester. The students are aware of programmes and Course Outcomes from the beginning. The student feedback, teacher feedback are another important features of this teaching learning process for the learning outcomes. Interaction with the students, awareness on Programme Outcomes, Programme Specific Outcomes and Course Outcomes is seriously promoted.
