

SHAILABALA WOMEN'S (AUTO.) COLLEGE, CUTTACK
ATR on Feed Backs
2021-22

Feed backs was collected from different stake holders i.e. Students, Teacher, Alumni and Parents. After careful analysis of the suggestions proposed/submitted, the following actions were taken.

1. Regarding the support of alumnus to the students particularly for the career counselling, college has taken initiation by inviting Alumni to advice students on startup and entrepreneurship. Further all the HODs have been informed to invite the alumnus of the respective department for participation in various activities .
2. Anthropology dept. alumnus and parents have suggested for the appointment of regular faculty in the dept. In this regard communication has been made to Govt. for the needful action.
3. Many of the department have requested for better infrastructure facility and provision of high speed internet, creation of more no. of smart class rooms. At present there are 03 smart class rooms, and request has been made to all the HODs to utilize these smart class rooms as and when required for their students. The newly built Halls/Class rooms have been allotted to various Science Departments.
4. In connection with provision of more no. of reference books and creation of more no. of ICT enabled class rooms, RUSA fund has been allocated for purchase of books, computers, LCD Projectors to make the class room ICT enabled.
