

Increase Your Employability Prospects

..... Be a Professional

Professional UG/PG Courses

B.Sc. (ITM) | MSW | M.Com(F&C) | MBA

Shailabala Women's Autonomous College
Cuttack

Accredited with 'A' grade by N.A.A.C. (U.G.C.)(2006 & 2017)

Opening new vistas of Career Opportunities

With great joy, Shailabala Women's Autonomous College is introducing professional UG/PG courses in different streams. This was our dream for augmenting a setup in professional studies and now this has come true. Professional streams will definitely benefit our aspiring students in getting employment in proliferating business/finance sectors.

Opening of new professional courses - B.Sc. (ITM), MSW, M.Com (F&C) & MBA are a beginning of new era for professional studies in the campus. College being the oldest in girl education in Odisha is now being equipped for new opportunities oriented education in line with the employment sector. I expect these courses will prepare our girls for upcoming employment opportunities and higher prospects in the business, finance and development sectors.

Principal

Shailabala Women's Autonomous College, Cuttack

(The First and the Oldest Women's College of Odisha)

Shailabala Women's Autonomous College, Cuttack is a century old college, a premier educational institution of its kind in the state of Odisha for women's education. The college has been awarded 'A' grade by the N.A.A.C. (National Assessment and Accreditation Council, 2006, 2017) of the University Grants Commission. College imparts education at the higher secondary, undergraduate and postgraduate levels attracting students from different parts of Odisha and the neighboring states. With the proliferation of industry and business sector employment prospects for the students have increased, but simultaneously there is immense need to prepare the students for professional atmosphere for increasing their absorbcency prospects in the career market. With these considerations College is introducing 4 new professional courses i.e., B.Sc. (ITM), MSW, M.Com (F&C) and MBA from this academic session for greater benefits of girl students of the area.

Career Market

Career prospects for the job seekers are diversifying and it is imperative to keep pace with the changing career platforms. Need of the hour is the educators provide such platforms of diversification to the students for increasing the absorbcency prospects in the career market.

With the proliferation of industry, business & finance sector and rural development sector, need of quality manpower for these streams has increased manifold. Getting quality manpower for these sectors is still an uphill task for planners and managers of different industries and sector specific projects.

In line with the need of the hour Shailabala Women's Autonomous College, Cuttack is introducing career intensive courses in different streams for greater benefit of the girl students of Cuttack and adjoining areas.

Hi-Demand Professional Courses

Shailabala Women's Autonomous College is providing High Demand Professional Courses as Graduation & Post Graduation degrees to generate better employability prospects among them in Industrial Sector, Development Sector and Finance Sector. Each of these sectors has their specific skill demands and students can choose any of the courses as per their choice and area of interest for better understanding and gainful learning.

College is providing professional degrees in following high demand courses -

Bachelor of Science in Information Technology Management (B.Sc. – ITM)	3 years (6 Semester)
Master of Social Work (MSW)	2 years (4 Semesters)
Master of Commerce (Finance & Control)	2 years (4 Semesters)
Master of Business Administration (MBA)	2 years (4 Semesters)

Ramadevi Women's University, Bhubaneswar will award the certificates to all pass out students.

Why Professional Courses?

- ↪ In order to enrich your performance and potential you must go for professional course rather than general education for better career prospects.
- ↪ Get yourself trained in a particular field and be eligible for the extensively competitive market.
- ↪ Develop your professional ability and other important skills like confidence, leadership and motivation.
- ↪ Attain the level of excellence in the field and achieve obtainable and realistic goals in life.
- ↪ To make you specialized in a particular subject thereby enhancing your job prospects.
- ↪ Better employability prospects if you have a specialized professional degree.
- ↪ The professional course adds an extra feather to your career cap. Not only it opens up new vistas but also entails more extensive higher professional study options.
- ↪ Continuous pursuit of professional education helps in honing the skills with time and excelling in your field of interest.
- ↪ You will have several choices for your future openings such as wide range of professional openings in different sectors.

Facilities

College has all the requisite facilities for comfortable learning and acquiring relevant skills. Main attractions of these professional courses are:
