She delivered an excellent talk on the topic "Environmental Degradation, Global Warming and Climate Change" and inspired our students to organise more such discussions. Dr. Jamini Ranjan Mohanty, Assistant Prof. of Chemistry, Dr. Prasant Kumar Samantaray, Assistant Prof. of Botany, Dr. Ashok Kumar Nayak, Assistant Prof. of Zoology, Dr. Bisundar Mohanty, Assistant Prof. Physics, Miss Monalisa Swain, Assistant Prof. Computer Science, joined as resource person of the discussion. Dr. Jamini Ranjan Mohanty Assistant Prof. of Chemistry discussed about the impact of climate change in India. The Global warming had pushed up the temperature of Himalayas upto 0.6°C in past 30 years. It is apparent that the projected climate change leading to global warming, sea level rise and melting of glaciers will disturb the water balance in different parts of India and quality of ground waters along the Coastal track. Dr. Prasant Kumar Samantaray, Assistant Prof. of Botany discussed about that excessive use of natural resources results in excessive waste or pollution, so much that the nature is not able to absorb, make it barren or purify it. Dr. Ashok Kumar Nayak, Assistant Prof. of Zoology discussed about the impact of environmental change on wildlife health. Dr. Bisundar Mohanty, Assistant Prof. Physics, discussed about impact of climate change on Arctic and Antarctica. Miss Monalisa Swain, Assistant Prof. Computer Science discussed about the issue has become a real subject of

Concern, not only critical for action globally, but also at the national, sub-national & local level. Almost all of the participants present came to the conclusion that it becomes very important for leaders and policy makers to come up with certain solutions and measures at both multilateral and regional level to lessen the impact of Climate change. The programme was arranged and Co-ordinated by Officer in charge Seminar Mrs. Manmadharami Sahas. Other faculty members and the students actively participated in the group discussion. The meeting ended with vote of thanks by the seminar Secretary.

साथ 24 11 2021 को मुझे शैलवाला महिला महाविद्यालय, कटक के हिन्दी विभाग में संगोष्ठि के मुख्य वक्ता के रूप में अपरिचित होने का अवसर प्राप्त हुआ। विभाग के इस संगोष्ठि में मैंने छात्रछात्रों के महत्व पर अपना आलेख प्रस्तुत किया। विभाग की कई छात्राओं ने भी अपना आलेख प्रस्तुत किया। छात्राओं ने बहुत परस्पर से अपना आलेख तैयार किया था जो कि उनकी प्रशस्ति प्रशस्नीय रही।

मैं विभागाध्यक्ष डॉ. सुशान्त खिलाल जी धन्यवाद देते हुए यही कामना करती हूँ कि वे आगे इसी तरह से संगोष्ठियों का आयोजन करते रहें और विभाग की उन्नति होती रहे।
