

**ANNUAL RESULT REPORT -2021-2022**  
**CONTROLLER OF EXAMINATIONS CELL**  
**S.B.WOMEN'S (AUTO.) COLLEGE, CUTTACK**

We are proud to acknowledge that we had good examination and result, achievement in academics throughout the session 2021-2022. As the institution is committed to quality education and holistic development of students, the examination result of the students appearing Final Examination-2022 is highly satisfactory.

Achieving academic excellence is at the heart of the endeavour of an academic institution. An important measure of this pursuit is how the college has performed, the most important of which is year ending examination conducted by the Autonomous Examination Section of the college. It is a matter of pride to place the achievement of students and progress of students, where all our staff is committed and dedicated.

We are happy to share the glad news that our students appeared for 2021-2022 in UG, PG and B.Ed Final End-Semester examinations passed with excellent results. We achieved 93% result in UG, 91% in PG, 100% result in B.Ed and 100% result in M.Phil Final Exam-2022.

In PG Final Examination, about 91% of students exhibited exemplary performance in all the domain of their personality. Our education is the modern blended with tradition. Niharika Singhi is the best Post Graduate with an excellent score of 92%.

UG classes have multiple subjects in all the three streams of Arts/Science/Commerce, PG classes have twelve subjects of Arts stream.

In the Journey of discovery of excellence in the field of education the examination system focused on integral, sustainable, holistic growth and development of lifelong skills and values of modern world alive in thought, word action, remedial teaching, extra classes, revisions, unit tests, class tests, assignments, project work, field internship, end term examinations have kept the students busy throughout year and the college achieved spectacular achievement of students in their results in 2021-2022.
