**Shailabala Women's Autonomous College  
Cuttack**

## EDITORIAL

Shailabala Women's Autonomous College, Cuttack, is one of the oldest and most esteemed institutions dedicated to women's education in India. For generations, it has been a place of learning and empowerment for Odia girls, many of whom have gone on to contribute significantly to the progress of the state and the nation. The College was founded through the visionary efforts of two pioneering figures in Odisha's History—Utkal Gourav Madhusudan Das and his adopted daughter, Miss Shailabala Das. Located near the revered shrine of Goddess Katak Chandi, its stately building graces Mission Road in the heart of Odisha's thousand year old Cuttack City.

The News Bulletin 'Madhukhyara' showcases the key activities and notable achievements of the college during the 2023–2024 academic session. It provides a comprehensive overview, accompanied by photographs of major events and activities of the various departments, and the extension activities like the N.S.S., Y.R.C., and N.C.C. units.

The Bulletin offers an insightful overview of key activities conducted by the college, including important meetings, induction programs, extramural lectures, major workshops, and seminars at the state, national, and international levels. It also highlights various awareness campaigns, career counseling sessions, observances, the Annual Athletic Meet, and several faculty development and training programs.

This Bulletin gives a glimpse into the various activities and events of this institution such as District level Millet Cooking Competition, Zonal and District Level Competitions, various Art and Poster Exhibitions, Blood Donation Camps, Van Mahotsav Week etc. These diverse initiatives reflect this institutions' commitment to a holistic system of education - one that enriches students' understanding and skills, nurturing them into confident and capable scholars.
